ONE-HALF BOTTLE OF THE GREAT KIDNEY REMEDY ACCOMPLISHES WONDERS.

When I sent for a sample bottle of Swamp-Root, I was in great distress day and night. Before I received sample by mail, I went to our best doctor (and he is second to none in this vicinity) and told him how I felt. He put me up a bottle of medicine. I was about a week taking the medicine, but was no better than when I began. I then began your sample bottle, and before I got through with it I felt a change. The scalding sensation did not bother only a few times in the middle of the day. I would not have believed such a small quantity would have done so much, but before it was gone I learned that our druggist kept Dr. Kilmer's Swamp-Root and so got a large bottle for one dollar, but actually worth one hundred dollars. I only took one large tablespoonful three times a day and before I had taken one-half bottle I was all right and have been since. Gratefully yours,

GEORGE S. CHAMPLIN, Ashaway, R. I. State of Rhode Island, County of Washington, ss. Personally appeared George S. Champlin to me well known and made oath that the foregoing statement by him subscribed is true.

E. R. ALLEN, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y. Prove What Swamp-Root Will Do for You Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure and mention the Barre Daily Times. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

With the passing of the winter season, the careful owner of Furs will have them repaired and remodeled for next season. It should be done now, when there is plenty of time, ensuring a more careful and satisfactory job, and at summer prices. Every owner of Furs, whether man or woman, can have them made up in the 1912 models as well now as to wait until the last of the season. Remember that Furs brought in at once have special attention at special prices. Thousands of satisfied customers is my guarantee.

THE APPALLING LOSS OF LIFE

caused by the sinking of the Titanic emphasizes again that even the safest mode of travel or occupation constantly causes loss of life and earning ability. Insurance is never the replacement of that which is lost—life, earning ability or property—but is a scientific, natural and effective means of averting and distributing the loss as broadly as possible, and directing the benefits where most needed. A policy providing a monthly income for the beneficiary during her lifetime is the best form of life insurance protection, and is furnished by the Penn Mutual Life Insurance Company of Philadelphia at lowest cost. This protection must be taken before you need it to be effective. It begins at once to increase your savings account, and continues to do so as long as you live, and takes up your office of providing for your family (each month) when your own work is finished. Appointments arranged by mail or telephone (102-M, Barre). When applying by mail, give date of birth of self and proposed beneficiary.

I take it both spring and fall. This last winter and spring I was in very poor health. I was weak and had lost all my appetite and I was all run down. As soon as I began to take Hood's Sarsaparilla my strength came back and my appetite returned. I am now well, do my housework, and no longer have that tired feeling." HOPE FOR TARIFF BILLS.

Cummins Offers a New Metal Schedule—Confers With Progressives. Washington, April 18.—Senator Cummins of Iowa, progressive Republican, at a conference with the Democratic members of finance committee yesterday, submitted his bill for the revision of the metal schedule of the tariff law. It provides for considerable reduction on iron and steel rates, about midway between the present tariff and the House Democratic bill, and the Democratic members said they felt that an agreement with Senator Cummins could be reached. Senator Simmons of North Carolina, who will have charge of the metal bill, said yesterday that the Democrats would insist that some tariff legislation be enacted and he had reason to hope that a sufficient number of insurgent Republicans would co-operate with the Democrats to pass the metal, chemical, sugar and woolen bills through the Senate.

LOOSE GAME FOR OPENER

Goddard Was Defeated by Norwich, 14 to 2, at Northfield

FORMER WEAK WITH STICK

Norwich Pounded the Ball for Ten Safe Drives—Goddard Scored Its Runs Largely on Errors—Norwich Tried Out Three Pitchers.

Northfield, April 18.—Norwich won its opening game of the season from Goddard yesterday by the score of 14 to 2 in a game which was loosely played. The summary boys were not dangerous at any time after the third inning, when they made two scores on errors by the Norwich team. Peterson for Goddard pitched a very steady game in the six innings that he worked. His successor, Hayes, was not very steady, although his curves were good. For Norwich, Parkman started the game, working for three innings, and then was replaced by Way, who was very effective. Way was in turn replaced by Keegan, who finished the game, allowing the visitors but one hit. The score:

WILSON'S SUITCASE FOUND.

Apparently None of the Contents Has Been Touched. Chicago, April 18.—Governor Woodrow Wilson's suitcase, which was stolen from his rooms in a downtown hotel here ten days ago, was found Tuesday night as the result of an anonymous telephone message to the hotel. The message said the case could be found in an arseway between St. Mary's church and the parish house. A detective was sent to the place and found the suitcase, which contained a dress suit, soiled linen and papers. Apparently none of the contents had been touched. It was at St. Mary's parish house that Governor Wilson was dining with Father P. J. O'Callaghan when the suitcase was taken. The property will be sent to the owner.

All That Is Earthly Is Subject to Pain

—King Solomon

The victims of rheumatism all tell the same story; they have sore, inflamed muscles and stiff, aching joints; they have no ambition or strength, and get nervous and irritable, which is not to be wondered at. We realize how much they suffer.

"Nurito," a prescription free from opiates and narcotics, will banish all aches and pains, and limber up those sore and inflamed muscles, or your money will be refunded. We realize that there are worthless and dangerous remedies, which are sold as cure-alls by the help of manufactured testimonials, whose object is to extract gold. "Nurito's" purpose is to give relief and is compounded exclusively as a specific remedy for those only who suffer from rheumatism, sciatica or neuritis.

Convince yourself. Go to the Red Cross Pharmacy or E. A. Drown's to-day, get a \$1 box of "Nurito," the remedy that produces results. You can feel it working. Compounded by the Magistral Chemical Co., Flatiron Bldg., New York.

WEIGH YOURSELF BEFORE USING

Weigh yourself before commencing to use Samose, the great flesh-forming food. The wonderful sale of this preparation since introduced in Barre and the remarkable results following its use have made D. F. Davis such an enthusiastic believer in the great value of Samose that he gives his personal guarantee to refund the money if Samose will not make thin people fat and restore strength and health to those who use it. This is a strong guarantee, but D. F. Davis has seen so many of his customers who a few weeks ago looked like walking skeletons become plump and well, through the use of Samose, that he feels he cannot say too much to induce people to try it. This marvelous flesh-forming food is assimilated as soon as it is taken into the stomach, makes good rich blood, tones up the weakened system, helps to assimilate the food and makes the user plump, well and rosy.
